## *A Note From the Director*

Our concert this evening is the culminating event of a semester of weekly class work and choral rehearsals. The Santa Fe Community College choral program is designed to offer an educational experience with music of various styles and historical periods. We invite anyone who is eager to sing music of diverse styles, willing to commit to regular rehearsal attendance, and inspired to improve the quality of the group and their own singing, to join chorus for the 2011 spring semester. Courses in class voice, music appreciation, group guitar, group piano, music theory and jazz history are also offered. For information about classes in dance, drama or music, call the School of Arts and Design at (505) 428-1731. Thank you for attending our concert and supporting our musical growth!
